Department of Political Science
and Criminal Justice

September 17, 1979

Dear Colleague;

This year the Arkansas Political Science Association is including a panel which will feature undergraduate papers and presentations. I believe this will be an interesting addition to our annual convention because it will give some of our fine undergraduate students an opportunity to demonstrate their research, writing, and oral presentation talents. Needless to say, there is an awful lot of satisfaction in helping a student produce a quality piece of work.

We are asking that papers be mailed to me no later than January 15, 1980 so the final selection of papers can be made and their titles and authors included on the final program. A panel of association members will make the final selections. Each student paper should have their professor's endorsement before it is submitted. A student discussant will also participate on the panel.

So please encourage your good students to participate. I'm counting on your support.

Sincerely yours,

Art English
Panel Chairman
