Dear Walter:

I received your letter when I returned from vacation and, I must say, was somewhat perplexed. The letter looked familiar and I thought I had responded some time ago. Indeed, I had responded--up to a point. I wrote a reply; however, in the shuffle of the Spring Semester, it was never typed and mailed. For that I apologize.

I have enclosed copies of the papers you requested. No papers were received from Wilkins, Burrow or Haydar. I received papers from Kjosa, but he was unable to attend the Convention.

Regarding the terms of the Board members, I am certain that Diane Kincaid received a two-year term and William Nolan received a one-year term. While less certain, I am fairly sure Raphael Lewis received the other two-year term and Jeddy Levar received a one-year term.

Again, I am very sorry I took so long to reply. Keep in touch and keep up the good work as Secretary-Treasurer of the APSA.

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Charles'.
