Dear Political Scientist:

The Arkansas Political Science Association will hold its fourth annual convention at the Crescent Hotel in Eureka Springs, Arkansas, February 18-19, 1977. I would like to invite you to participate in this meeting for several reasons. First, the annual convention of the Arkansas Political Science Association offers an opportunity for you to meet your colleagues from the remainder of the state. Our membership includes college professors, public administrators, students, and others interested in government and politics.

A second reason for your attendance is an excellent and varied program. This year, panels will deal with (1) American Political Philosophy, (2) teaching state government and politics in Arkansas, (3) Comparative Politics/International Relations, (4) the future of local government in Arkansas, (5) Arkansas Politics, and (6) Political Philosophy in the teaching of Political Science. Papers range from "Citizen Alienation and Democratic Government" (by Schramm of ASU) to "Black Political Thought: What is it now?" (by Whistler of UCA) and from "The First Effort at Punishing Genocide: The Allies and the Armenian Massacres," (by Willis of SAU) to "The Commission Connection" (by Kincaid of UAF). Furthermore, presentations will be made by Professor Norton Long of the University of Missouri ("A Marshall Plan for the Cities") and Attorney General-elect Bill Clinton. As you can see, an excellent program with great variety is planned.

Finally, a third reason for your attendance is the fact that your profession needs your support. If the Arkansas Political Science Association is to remain a viable professional association, it must have your regular support. If you are not already a member, won't you please send your check for five dollars to Mr. Walter Nunn, Secretary-Treasurer, 301 Louisiana, Little Rock, Arkansas? In addition, please plan to attend the annual convention in beautiful Eureka Springs. You will enjoy it and your profession will benefit from your participation.

Thank you for your support in the past. I hope to see you at Eureka Springs.

Sincerely yours,

Charles DeWitt Dunn, President
Arkansas Political Science Association
