Dear Professor Nunn:

Bob Savage has written to notify me that I should send a statement of expenses covering my trip to speak at the dinner of the Arkansas Political Science Association, February 23, 1979. Since I took care of my own lodging there are only two expenses: the roundtrip airfare of \$134.00 and a charge for airport parking for leaving my car at the Knoxville terminal, \$7.50. Those two charges plus the honorarium noted in Cal Lebetter's invitation of May 19, 1978, total \$191.50. For your records receipts are enclosed. If you have questions, please contact me.

Sincerely,

Dan Nimmo
Professor
