Dear Walter:

Congratulations on your re-election as Secretary-Treasurer of the Arkansas Political Science Association. In my judgement, the Association showed its wisdom in making this decision, for retaining you in the secretary-treasurer position gives important stability to a young organization. You have every reason to view the re-election as a vote of confidence by the Association.

More personally, let me express appreciation for the cooperation you gave me while I was President of the Association. There is always pleasure and satisfaction in working with capable and responsible persons such as yourself.

Sincerely yours,
