

STATE COLLEGE OF ARKANSAS
CONWAY

January 18, 1974

Dear Colleague:

Plans for the proposed organizational meeting of the Arkansas Political Science Association have been finalized. The response to the initial letter mailed to Department Chairmen was excellent and indicated a keen interest in establishing a state association.

Accordingly, the specifics:

Dates: March 1, 2, 1974
Place: State College of Arkansas
Conway, Arkansas

Schedule: March 1

4:00-7:00 Registration, Student Center Ballroom, SCA
7:30-9:00 Dinner Meeting, Ramada Inn
(Speaker to be announced)

March 2

8:30-10:00 Panel Sessions, Student Center Ballroom, SCA
10:00- General Organizational Meeting - Ballroom, SCA

It is expected that most of the business to be conducted at the organizational meeting will be concerned with the election of officers for the coming year, committee assignments and general discussion of the purpose and scope of the association. A spin off of the entire endeavor, however, should be the development of professional and social relationships with political science colleagues in the state.

Motel reservations for those desiring overnight accommodations can be obtained at the following local motels.

Holiday Inn	329-2961
Ramada Inn	329-8392
Town House Motel	329-3846
Sands Motel	329-5653
Continental Motel	327-7736

Conway is small enough so that distance is not an important factor in the selection of your accommodations.

The March 1 evening meal at the Ramada Inn will cost approximately \$3.50 and a registration fee of \$1.50 will be charged to help defray the initial organizational expenses.

It is possible that some political scientists have been inadvertently overlooked and have not been notified of the meeting. Please assist by contacting those who may be interested in attending and informing them of the meeting.

More details of panels, etc, will be forthcoming as plans are finalized. If you desire to present a paper, please contact the Department of Political Science, State College of Arkansas (501) 329-2931, extension 287, as soon as possible.

Sincerely yours,

Robert M. McChesney, Chairman
Department of Political Science
