Executive Committee
lunch - Feb. 24, 1978
DeGray Lodge

Present: Zinn, Carr, Pritchett, Megginson, Moore and Nunn.

Zinn said the Arkansas Association of College History Teachers had suggested that APSA might consider meeting with them in October along with sociology and geography teachers in Hot Springs as a Social Science meeting. The E.C. recommended formation of an ad hoc committee to explore the possibility of an occasional joint meeting, such as every 3 years, and the possibility of publishing a common journal.

The E.C. determined that the vice-president is the president elect.

The E.C. decided not to raise the issue of whether to fight for making the "civil government" requirement apply to American Government.

Beadle Moore moved and it was seconded that Jeddy LeVar assemble the Arkansas Political Science Directory next year. The motion passed unanimously.
