Dear Charles:

I picked up copies of some of the papers given at the Arkansas Political Science Association meeting, but I missed several. Could you send me the papers of the following people for APSA files: Don Whistler, Ken Bailey, Ursula Polk, Charles Chastain, Larry Kjosa, and Cal Ledbetter? I assume you have no papers from Henry Wilkins, Pat Burrow or Afak Haydar.

And do you happen to remember who drew two-year terms for the Executive Board?

Your help will be appreciated.

Sincerely,

Walter Nunn
