Dear Walter:

Bob Savage recently informed me that the following member of the Arkansas Political Science Association have been appointed to the constitution Revision Committee:

Bill Nolan, Chairman
Bob McChesney
Walter Nunn, ex official

In order for the committee to begin planning its works a few preliminary question and procedures probably need to be resolved. These include:

(1) Should we ask Bob Savage to expand the membership of the committee?

(2) How should we determine what revisions to the Association Constitution are wanted?

(Bob Savage recommended the Committee review Art IV, Dues; Art V, Offices; Art VI, Election; Art VII, Meeting; and Art VIII, By Law. I have also been asked to review the nominating procedure).

(3) Should we circulate an inquiry among members asking for revision suggestion?

(4) When and where should we attempt to hold our first meeting as a Committee?

I would appreciate your suggestion. Until July 7, I will be teaching and will be generally available. I plan being out of the state for the remainder of July.

Sincerely,

William C. Nolan
