Professor Robert Meriwether

Hendrix College
Conway, AR 72032

Dear Bob:

Last Saturday the Executive Board of the Arkansas Political Science Association met for our regular board meeting (previously scheduled). At that time the board adopted the following resolution and asked me to inform you of our action:

The Executive Board of the Arkansas Political Science Association expresses its strong support of Robert Meriwether as Director of the Arkansas Governor's School. His competence, integrity, intelligence, and commitment to excellence in the field of education cause him to be held in the highest regard by his colleagues. We are certain that his service as Director of the School will reflect the high professional standards of achievement that he has always maintained in his association with us.

As you will see, we have sent copies to Governor Frank White and to Dr. Don Roberts. The resolution is yours to use as you like. We feel certain that the Governor is not likely to leak it to the press! However, you may convey it to the press, to your dean, or to whomever you choose.

You have, of course, my personal best wishes for the school and full confidence you will do a superb job.

Sincerely,

Jim Meggison, President
Arkansas Political Science Association
